

Chessmen End Season

The San Leandro High Chess Team, despite a strong winning streak during the last quarter, will be forced to give up last year's trophy and accept a second place in the East Bay Championship. According to Mr. Ausmus, the Chess Club's sponsor, the team's 43 wins out of 77 games played was beaten only by Oakland Tech, which managed to grab 68. The tournament earned blocks for several members of the team and for three of them, John Goodwin, John Sugiyama, and

Bob Ghiselli, their second. Next year the lineup, unless some drastic changes take place within the club, should be pretty much as listed below, with the exception of Bob Ghiselli who is unfortunately graduating this year.

Name	Bd.	W.	L.	T.	%
