A CHESS PLAYER'S PRAYER

Each night before a tournament,
These words that someone said
Keep on coming back to me
And running through my head:

God teach me how to play this game
So when it comes to end
If by chance I lose again
At least I win a friend.

Nigel Dodge

GAMES PLAYED IN THE "EXPERT TOURNAMENT" AT DALY CITY, CALIFORNIA

We felt that members would be most interested in the games played by our top ten experts in the First CFNC "Expert Tournament", held in May. So, we have asked each of the players to send us in one annotated game each. These we will publish as space permits, together with the balance of games (unannotated).

So far, we have received three annotated games (from the winners, naturally!) Hope the other seven players will soon get off the dime and send in their own contributions.

THACKER v. CLEGHORN

1. P-K4 P-K4
2. P-KB4

Thacker plays the King's Gambit whenever he can, usually with success because he knows it very well. As I had lost a Gambit accepted to him in under 20 moves in a previous tournament, I decided to try for the initiative myself.

2. P-Q4

Thacker said, after the game, that this loses for Black, but I would play it even if this were true because White is on the defensive for a long time.

3. KP x P P-K5
4. P-Q3 N-KB3
5. N-QB3 B-N5
6. B-Q2 P-K6
7. B x P O-O

Thus Schulten - Morphy, New York, 1857 which this game follows to Black's tenth move but I think that 7 NxP followed, if 8. B-Q2, by B x N and then O-O is a little better.

8. B - Q2 B x N
9. P x B

If 9. BxB R-K1 ch. 10. B-K2 NxP attacking White's KBP and Black's lead in development becomes enormous.

9. R-K1 Ch.
10. B-K2 B-N5
11. K-B2

Shulten here played P-B4 which also is probably good enough.

11. ... BxB
12. N x B N-N5 ch.
13. K-B3?

White is probably lost after this, although he has better defences than as played. 13. K-B1 would also be bad because of Black's next move. K-N1 is correct.

13. Q - R5
14. P - N3 ??

This move loses a Rook at best.

14. Q-N1 would hold for some time, the continuation being 14. ... N-Q2 (Threatening N-K4 check) 15. N-N3 P-KR4 and White's best is probably 16. P-KR3 N/2-K4 ch. 17. PxN NxP ch. 18. K-K2 (18. K-B2 Q-B3 ch.) Q x N 19. K-Q1 N-N3 and Black doubles on the King file.

14. Q - R6 ?

Q-R4 wins a rook after K-N2, QxP ch. etc.

15. R - QN1

Q-KN1 is better.

15. N - Q2 ?

Q-R4 again wins the rook.

16. R-N4 Q-R4

Now this only wins the exchange.

17. R-K4 N-B3 ch.

18. K-B2 NxR ch.

19. P x N RxP

20. N - Q4 Q x P

21. R-K1 QR-K1

22. Q-B3 N-B3

23. P-KR3 loses a piece

23. P-QB4

24. N-N3 RxR

25. QxQ ? KR-K7 ch.

26. Resigns

Although I have played games with fewer mistakes, and one shorter game (in the Tournament) I like this one best because of the interesting combinations and positions which came up (mainly in the notes) in it.

(Annotated by Peter Cleghorn)

Sicilian Defense

White Black
Robert Dickinson David Bogdanoff

1. P-K4, P-QB4; 2. N-KB3, N-QB3;
3. P-Q4, PxP; 4. NxP, N-B3;
5. N-QB3, P-Q3; 6. P-KB3(a) P-K3(b)
7. B-K3, P-QR3(c); 8. Q-Q2, B-Q2(d);
9. P-QR4!(e) B-K2(f) 10. N-N3, N-R4(g);
11. NxN, QxN; 12. B-Q3, R-Q1(h);
13. O-O, B-B3(i) 14. Q-B2!, Q-R4(j);
15. N-K2!, P-Q4??(k) 16. P-KN4, Q-K4;
17. B-KB4 Resigns (l)

(a) With this move, white initiates the Yugoslav Attack, which has enjoyed much success over the board.

(b) Alternatives are 6.....P-K4, leading to a Fischer type position, and

"Expert Tournament" games, continued.

- 6.... P-KN3, allowing the regular Yugoslav Variation.
 (c) Premature: B-K2 followed by 0-0 is probably better.
 (d) 8 ... NxN; 9. BxN, P-K4; 10. B-K3, B-K3 might be a better alternative for black.
 (e) White's plan is N-N3, P-R5, N-R4, and N-N6. This, however, creates a terrible weakness at QN4.
 (f) P-Q4 or N-QR4 might also be considered.
 (g) Black must stop P-R5.
 (h) The QR belongs on QB1 and the KR on Q1.
 (i) Preparing for P-Q4, but too late.
 (j) If 14. Q-N5; then follows, 15. B-N6, R-QB1; 16. N-R2, QxRP (16. ... Q x NP; 17. B-Q4, Q-R6; 18. KR-N1, and white wins the black queen.) 17. P-B3, P-QR4; 18. N-N4, QxR; 19. RxQ, PxN; 20. PxP, and white should win but not without some troubles.
 (k) 15. ... P-K4 is forced.
 (l) If 17. ... QxNP; 18. KR-N1 and the black queen is trapped.

(Annotated by Mr. Dickinson)

And here is the third game, ably annotated by Erik Osbun (White):

| Erik Osbun White | David Krause Black |
|-----------------------|-----------------------|
| 1. P-K4, P-KB4; | 2. P-KN3, P-K3; |
| 3. B-N2, N-KB3; | 4. N-KB3, B-K2; |
| 5. 0-0, 0-0; | 6. P-B4, P-Q3; |
| 7. Q-B2(a), Q-K1; | 8. N-B3, QN-Q2(b); |
| 9. P-K4, PxP; | 10. NxP, NxN; |
| 11. QxN, B-B3(c) | 12. R-K1, Q-B2!; |
| 13. B-K3(d), P-K4(e); | 14. Q-Q5! Q-Q(f); |
| 15. PxQ, PxP; | 16. BxP, N-N3; |
| 17. BxB, RxB; | 18. N-Q4, N-R5(g); |
| 19. QR-B1!, N-B4; | 20. B-B1, P-QR4; |
| 21. N-N5, P-B3; | 22. PxP, PxP; |
| 23. NxP, RxN; | 24. RxN, B-K3(h); |
| 25. RxB, RxR; | 26. B-B4, Resigns. |

- (a) 7. N-B3 allows the option of R-K1 and P-K4.
 (b) This development of the QN cramps Black's game. 8. ... Q-R4; 9. P-K4, PxP; 10. NxP, N-B3 is more energetic. However, 8. ... Q-N3; 9. B-N5 is better.
 (c) If 11. ... N-B3; 12. Q-K2, Q-R4; 13. B-B4, B-Q2; 14. QR-K1 and White stands better. Objectively, the text move is best.

- (d) Not 13. QxP, QxQ; 14. RxQ, N-N3; 15. R-K2, NxP; 16. R-B2, N-R4; 17. Rxp, N-B3.
 (e) If 13. ... P-B3; 14. QR-Q1, P-K4; 15. PxP, NxP; 16. P-N3, NxN ch.; 17. QxN, and White stands better.
 (f) 14. ... PxP; 15. BxP, N-N3; 16. QxQ ch., RxQ; 17. QR-B1, B-Q2; 18. BxB, RxB; 19. N-Q4, P-B3; 20. P-QN4 favors White but is better than the text:-
 (1) 16....KxQ; 17. BxB, KxB;
 18. QR-B1, B-Q2; 19. N-Q4 ±.
 Or 18.... B-K3; 19. N-Q2! +.
 (2) 19. ... R-N1; 20 N-N5, BxN;
 21. PxN, R-B2; 22 P-QR4! +
 (g) If 18. ... B-Q2; 19. QR-B1, R-QB1; 20. R-B2 +.
 (h) Black can resist longer with 24. ... B-Q2.

SEVENTEEN

This was a new type of tournament in which every member of a team played a member of a different team. It was quite a success, in spite of the fact that it was such a beautiful Sunday that it was obvious a few could not get away from taking the family somewhere and there were a few gaps here and there that were very nicely filled by members of the Oakland YMCA Club.

The Oakland YMCA Club were, of course, hosts and the amenities were, as always, first-class. This is rapidly becoming one of the biggest and most successful clubs in the entire area. Anyone wanting a game on a Friday evening is welcome to drop in. Jack Powell is the Captain.

SAN BRUNO CHESS NEWS

Noel Baggett, San Bruno, successfully defended his title as San Bruno Chess Club Rapid Transit (10 secs. per move) Champion in the bi-monthly club tourney held recently. Noel retained the title and trophy by victories over all six competitors of his section and then beat Bill Mingus who had won in Section 1. Dan McLeod most ably directed everything.

CHESS FRIENDS OF NORTHERN CALIFORNIA

Secretary: Mrs. Virginia McGinley, 2763 Chelsea Drive, Oakland 11, California
 Field Director: George Koltanowski, International Master and Blindfold Champion, 3049 Laguna Street, San Francisco 23, California. JORDAN 7-2410.
 Ratings Director: Chuck McGinley, 2763 Chelsea Drive, Oakland 11, California.
 Editor-in-Cheese "Chess Inaction" John E. Almond, 14 Bates Blvd., Orinda, Calif.
 Tournament Director: Wm.S. Stevens, 2005-35th Ave., San Francisco

SAN JOSE CHESS TOURNAMENT

To be held at San Jose Y.M.C.A. on Saturday and Sunday, September 26th-27th, 1959!!!!!!!!!!!!

Chess Friends of Northern California break into new territory and will hold a Five-Round Swiss tournament, as usually arranged, at the spanking new San Jose Y.M.C.A. on the above dates. The exact address is 1717 The Alameda, San Jose - how could anyone possibly forget that address??? Playing facilities will really be out-of-this world.

There will be the usual three divisions: Expert-A; B; and C. Prizes will be trophies to the first-placed in each division and there will be book and other prizes to the seconds and thirds in each division as well as the usual number of "surprise" prizes.

There will also be the usual Sunday Special Tournament for those who cannot manage to get away for both days. Members will eventually receive full directives but make arrangements NOW to leave this particular week-end free. San Jose is but an hour down the freeway from the San Francisco Bay Area (for those who may not know).

CHESS CHIT CHAT

News about George

George left for Omaha to conduct one of those small tournaments on July 16th and returns August 2nd. in time for the Sonoma chessfest on August 9th. (U.S.OPEN! Big! Big! BIG! See You at Sonoma

Don't forget to be at Sonoma on August 9th. Latest news is that the prizes will be more and better than ever. The weather promises to be wonderful as always. This time, we are honoring "Our George" so let's really make this a bumper turn-out. We all know George has a few faults but he's really quite a wonderful guy and we are really very fortunate that he should have decided to make this spot on earth his bailiwick. So, let's give him a little demonstration that we appreciate what he has done and undoubtedly will continue to do for the game of Chess.

San Bruno Chess Club News

Dan McLeod has decided to publish a club magazine called "The Springer" (the German name for the Knight). Actually, I nptice that this item of news is now a little old as it is now in its 4th month of issue. The expense of getting out a little paper like this is not great and is a stimulus to membership. Other clubs might follow suit.

Congratulations to Ted Dana

Ted Dana is a great devotee to Chess and has been a member of Chess Friends for many many years. Congratulations on recently attending his 50th Class Reunion at Harvard are extended from all his Chess Friends.

Monterey Peninsula Chess League

The extent of CFNC Empire in the Monterey Peninsula might stagger you. Here are the clubs:

"Peninsula Pawns"

Major Wm. Kennedy, 25 Via Contenta, Carmel Valley, Calif. OL. 9-2060

"Santa Cruz Chess Club"

Peter Rohwer, 212 Glenwood Ave., Santa Cruz. GA 3-5921.

"The Black Knights"

Rear Adm. L.H.Chappell
1136 Alameda, Monterey, Calif.
Phone Fremont 2-0891.

"The Queen's Team"

Mrs. Helen Bennett, Box 3081, Carmel.
Phone MA. 4-7833.

"USO Blue"

Milo Taborski, 476 Sunset Lane, Pebble Beach. MA. 4-6386.

"USO Red"

Mr. Leo A/ Beliaski, 975 Monterey, Monterey, Calif. FR.5-9658.

ANNUAL OPEN FOR HIGH SCHOOL STUDENTS AT HAYWARD HIGH SCHOOL

The first of what is intended to be an annual Open for High School Students was held at Hayward High School on June 15th and 16th. Sponsors were Mr. Kilgore of Hayward High, Mr. Larson of Oakland Technical High School, and Mr. Bartholomew (who also acted as tournament director) a volunteer coach at Tennyson High School (Hayward District).

The results of this year's tournament were as follows:-

- John Blackstone, Saratoga, 1st with 4 pts.
- Tom Dorsch, Oakland Tech. 2nd with 3½ pts.
- Jerry Peterson, Arroyo High 3rd with 3½ pts.

Total number of rounds, five. Total participants, fourteen.

Next year, if a sufficiently representative turn-out can be obtained, it is hoped to discover an official High School Champion for the area and also an Alameda County High School Champion.

THE BRITISH CHESS MAGAZINE (BCM)

To those chessplayers who have never seen this chess magazine, we heartily recommend subscribing to this for a year. Edited by H. Golombek, it is one magazine that never fails to give the most complete coverage of what is going on in the Chess World. We can arrange subscriptions for chess friends.

EUROPE-ECHECS

This is another European magazine, written in the French language, not quite as much for the money as BCM if you consider number of pages, but not without its own charms. Generally, this magazine has a number of articles on theory. O'Kelly and Diemer are regular writers.
