EL CAMINO REAL LEAGUE'S SUMMER SCHEDULE STARTS MAY 14!!

The El Camino Real League's Summer Schedule of team matches starts on May 14th. There are seven teams entered--, Alekhine (Marin Chess Club), Botvinnik (Carroll Ogden Chess Club), Colle (Colle Chess Club), Evans (San Bruno Chess Club), Keres (Keres Chess Club), Max Lange (Carroll Ogden Chess Club), and Showalter (Precita Valley Chess Club). This is a CFNC league and team players are required to be paid up members of CFNC to participate in these team matches. It costs \$2.00 per year to join CFNC.

As you can see the Precita Valley Chess Club has entered the Showalter team. Showalter's first match will be on Thursday, May 17th at the Carroll Ogden Chess Club versus the strong Botvinnik team headed by Don Taggart. The following is the full schedule for the Showalter team:

May 17 - Botvinnik at C. Ogden Club
May 31 - Colle at Precita Valley
June 14 - Evans at San Bruno Club
June 28 - Keres at Precita Valley
July 12 - Max Lange at C. Ogden Club
Aug. 9 - Alekhine at Precita Valley

It is suggested team members hold on to this schedule and do their best to keep the above dates free for playing chess at their best for the Showalter team of the Precita Valley Chess Club. Jim Reynolds will act as team captain during this Summer Schedule.

SAN QUENTIN MATCH ON SUNDAY, MAY 20TH

Your club director has been asked by CFNC to take up a team to San Quentin on May 20th which is a Sunday. We are to accompany 3 or 4 other CFNC teams on this occasion. Those members wishing to go on this excursion please let the club director know. Of course, it is known that Ivan Vegvary wants to go and a letter has been written to Warden H. O. Teets to give us permission to take him along.

The time will be 9:30 a.m. Sunday, May 20th, and we are scheduled to play one of the inmate teams at San Quentin. Visitors are treated to a dinner up there around 3:30 p.m.

CLUB CHAMPIONSHIP TOURNEY STARTED

The Precita Valley Chess Club has started it's championship tourney. During the first couple of games a little confusion seems to exist wherein the games count for both the ladder and the championship. Please remember that a game can only count both ways if it is under the rules of the ladder in every aspect and that both players agree. Here are the results of last week:

Jim Cook 1, Jack Craig 0.
Bob Blakemore 1, Don Hufnagel 0.
Ivan Vegvary 1, Paul Bogosian 0.
