EVERYMAN CHESS BECOMES REGULAR

With the growing interest shown in the Chess Club, Everyman AC is reserving space in the Del Webb Townehouse the 1st and 3rd Tuesday evenings of each month. Check the Directory in the lobby for the room, as it varies from meeting to meeting. By September we should be playing every week.

These sessions are open to the public. There is a \$1.00 playing fee per night, except for a player's first visit, when he is the guest of the club. The plan is for at least one match or other event to be scheduled on each playing night. Open play is available. Players are asked to bring sets and boards.

Challenges are being issued to the chess teams of: Wawona Jr High, Hamilton Jr High, Clark Intermediate School, Reedley College, Fresno City College, Fresno State College, College of the Sequoias, plus Fresno Chess Club and Visalia Chess Club.

If anyone knows of other potential opponents, Jr or Sr, please let us know. An Intramural league will be held either this Summer or next Fall.
