OAKLAND TT OPEN ATTRACTS EVERYMAN PLAYERS

The Oakland Open Table Tennis Tournament was held Nov 29-30. Entered from Everyman-Fresno were George Gomez, Paul Graham, Frank and Greg Sherman, Louis Strasser and Jerry Crumley. Although no trophies returned to Fresno, the general presence of Everyman was felt as several went through the early rounds and lost in respectable matches with seeded players.

As all our players can testify, much of their enjoyment of this tourney was due to Bill Woolery, Tournament Director and his crew who ran things in a business-like way and still with a congenial feeling. We'll be looking forward to hosting Bill and the Oakland team in a future match.
