

SACRAMENTO WINS TEAM MATCH FROM SALINAS CHESS

On January 26 the Modesto (Calif.) Chess Club played host to the visiting teams from two out-of-town clubs which met for a team match. Salinas Chess Club was one visitor, recently organized and sparked by the enthusiasm of Geo. Oakes, formerly of Vallejo. Their opponents came from the established Capital City Chess Club of Sacramento. The contest was much closer than the score would indicate and Salinas displayed several youngsters in their line-up who showed much promise.
