## TERRACHES SALUTES.....

Grandmaster Samuel RESHEVSKY

for qualifying into the Candidates Matches leading to producing a challenger for the World Championship. RESHEVSKY drew all his games against STEIN and HORT, while STEIN and HORT each won one game v. each other and drew the rest. According to the FIDE ruling, in case of such a tie (all three players ended up scoring 4 - 4) RESHEVSKY qualified due to his better tie-breaking points at Sousse, Tunisia.

Congratulations, Sammy. Good luck in your first match v. KORCHNOI, to be held some time in May.

## TEAM MATCH CAPTAINS, ATTENTION!

It's updating your Master Club List time. Here we go:

Captain of the San Fernando Valley team (Division D) is  
W. H. BRAUN Jr., 11048 Blix St., N. Hollywood 91602. Tel PO 3-6416.

Co-captain of the Aeronutronic team (Div. D): R. C. MORENUS,  
4817 E. 3rd St., Long Beach 90814. Tel 439-6574.

Co-captain of PASADENA team (Div. D): John WHITCOMB, 1925 N.  
Orange Grove, Pasadena. Tel 794-9052.

OTHER CHANGES The CITY COLLEGE team (Division B) has dissipated into thin air. Since opening day, we haven't heard a word from them - so we must presume things went awry and we are deleting them from the schedule. Teams scheduled to play this team get a bye that week. The hoped-for D team of WEST COVINA did not materialize, so the D schedule continues as is in the revised version (without Plummer Pk). OK? Confused you enough?

NOTE PLEASE, captains, let's get those results in. We know you're busy, but it takes only a minute to mail the result sheet after a match - from round two, we haven't received results from three matches - six captains - why? Remember, the other teams want to know the standings, where you stand - where they stand. Delaying results adds to confusion and detracts from the general excitement in watching your team move up in the standings. Have a heart!
