

Kingsmen High In League Standings

The chess team of San Leandro High School is keeping up with its many opponents. The recent standings of the league in correspondence with San Leandro are first, Oakland Tech followed in order by: San Leandro, Encinal, Berkeley, Marina and Ala-

meda. So far the chess team has played 28 boards, won 15 1/2 and has a score of 18 points.

The last chess match was only partly successful. The last game played was with Encinal, and we came out with a score of 4-3. Berkeley beat us also with a real close score of 4-3. A score of 4-3 means that out of seven matches played, we won three and lost four.

In the last match played the team suffered from the loss of one of their best players. Dave Norris, a junior who was the 3rd man on the team moved away. The loss of Dave on the third board changed the positions of the proceeding players.
