(Consolation)

W.W. SHARP

First place Class C
Wm. TROUSDALE

First place Class D
NEIL AUSTIN

Starting the first Wednesday in February the club will run a two move problem contest. For six consecutive meeting nights a new problem will be submitted to the members; they will have until the following Wednesday to hand their solution to Dick Chapman. Answers should be handed in by 9.00 p.m. as the correct answer will be posted at that time. Diagrams with the problem on it will be prepared each week. To every person showing all six problems correctly, Or to the highest, there will be given a copy of "A Guide to the Game of Chess" by David A. Mitchell.

Matches with Antioch, Chico and San Francisco are pending. And a minor tournament or so will furnish amusement until April.

Since October we want to welcome as new members: W.P. Carlisle, V.C. Farrelle, J.L. Levensaler, J.A. Schirm and Dr. J. Yuke.

During November the Capitol City Chess Club team defeated the Midstate Chess Club from Stockton by a score of 4 to 1. The match was played in Sacramento.

Then during December our team met the team from the Modesto Chess and Checkers Club at the Y.M.C.A. at Stockton, and reversed the tables for last years defeat, winning by the score of 5 to 3.

The perpetual tournament standing at the end of December was:

Wise	737	Austin	509	Trousdale,L	423
Carmany	727	Snarp	492	Cherno	420
Schirm	675	Carlisle	469	Minor	321
Chapman	608	Yuke	465	Ele	300
Trousdale,W	579	Spink	447	Houghton	204
Cody	555	Farrelle	445	Levensaler	158
Gillies	544	Meister	433	White	140

Wise won the quarterly high point price with a gain of 50 points.

All persons should remember to put their wins down in the perpetual tournament book, otherwise they will not be credited with the points they won.

We are compiling a club file in which we are placing all the correspondence, etc. concerning the club and its activities. Anyone having anything of this nature please turn it in to Secretary Cody. Also in the future any person writing a letter in behalf of the club, please make a carbon copy for the file.
