

KASHDAN 28½-1½ IN SIMUL

International Grandmaster Isaac Kashdan took on thirty opponents in a simultaneous exhibition at the Del Coronado Hotel, Coronado, California. Although the opponents were reported to be "thirty of the strongest players in the San Diego area" James Miller of San Diego was the only one to make Kashdan turn down his king in defeat. Mr. Salvador Rubalcaba, reported to be "the strongest player from the Tijuana area," drew his game after 35 moves, having failed to take advantage of a possible winning continuation on the 29th move.
