

Actor Richard Boone: Paladin of the "Have Gun Will Travel" television series, is a chessplayer. Recently challenged to a chess match by USCF-ite Norbert Matthews of Beech Grove, Indiana, however, Mr. Boone declined the invitation: "Much as I would enjoy engaging you in a game of postal chess, I fear that it would be impossible at this time. My many commitments here in Hollywood, leave me with little time that I can call my own. Therefore, I simply couldn't undertake the game. Thanks for asking me, anyway. Best, RICHARD BOONE."
