

Chess Club Slates Newcomers Tourney

The Cosmopolitan Chess Club is sparking its spring recruitment drive by staging a Newcomers Tournament. Play will get under way Feb. 10 at 8 o'clock, at the club's well-equipped quarters at 2180 W. Adams Blvd., and will continue weekly thereafter for six weeks. Entry fee in the tourney is \$1.00, with cash prizes for winners.

Nationally known as an inter-racial group, the Cosmo Club offers a lively, year-round program for all interested in the Royal Game. Team matches with other chess clubs in the county, summer and fall tournaments, rapid transit tourneys once a month, and free instruction to beginners are among the benefits secured by members.
