By E. J. CLARKE

We are obliged to Morgan Ward. president of the University of California Chess club, for the following interesting item: "Last Tuesday evening State Champion E. W. Gruer gave a simultaneous exhibition at the U. of C. chess club. He played thirteen games; won eleven, drew one and lost one. Play lasted about two and a half nours." Ward is too modest; he failed to mention that he won the game that Gruer lost. It remained for Gruer to identify the winner. He also forwarded the score of the game, which appears below.

Another interesting and Another interesting and rather unique simultaneous exhibition took place on board H. M. S. Raleigh on the evening prior to the departure of the British cruiser for Morterey. M. W. Testa of the Mechanics' Institute Chess club, accompanied by J. H. Talbott and The Chronicis chess editor, who acted as referee, played a team of ten including Talchess editor, who acted as referee, played a team of ten, including Talbott. Play began at 8 o'clock and lasted until 11. Testa made a clean sweep of the Raleigh players—V. Farnfield, H. Turner, C. Cash, W. Tyndall, C. Rance, J. Tifles, C. Arrigoni, W. Lewis and E. Cook—but lost to the Mechanics' Institute player, Talbott. The games were followed by many of the cruiser's men, some of whom were probably attracted by the novelty of the proceedings. ceedings.

ceedings.

An amusing incident occurred during the evening. As part of a reception to a group of American naval officers, the Raleigh's band struck up the ever-inspiring strains of "The Star-Spangled Banner."

This was immediately followed by the British anthem. Several moments later one of the visiting chess players remarked: "You have to hand it to the British for courtesy. First they play 'The Star-Spangled Banner' and then 'My Country, 'Tis of Thee.'" they play 'The ner' and then Thee.'"

Thee."

Under the leadership of V. Farnfield, the chess players of the Raleigh can muster up about thirty players. While at Vancouver, B. C., the Raleigh's chess team defeated a team from the Vancouver chess club. Noting the thorough enjoyment the Raleigh players derived from the evening's play, it occurred to the visitors that some effort should be put forth to popularize the game among the soldiers and sailors of the United States army and navy. the United States army and navy.

\* \* \* \* Gruer's Fame Spreads to East

Under a two-column heading, "Gruer, California Champion, New Factor in Chess Circles," the Brooklyn Eagle in its issue of January 19, says: "Of considerable significance to American chess players, alike in the east and west, is the outcome of the tournament for the California state chess chess chempionship reaching the tournament for the California state chess championship, recently concluded at the Mechanics' Institute in San Francisco. The winner was E. W. Gruer of Oakland, who went through with a score of ten straight wins. That the victor will have to be reckoned with among the real first raters is very evident."

Through an oversight, last week's installment of games was misnumbered. While it does not matter much, still it has been found convenient to identify games my number, hence the custom. The games for Sunday, January 22, therefore, should be Nos. 54, 55, 56.

NOTES

(a) Black has to develop his S. It can't go to K2 or R3, because P-K5 forces Q-R5, where it has no future.

(b) Now the Q is holding the KB, and a move need not be lost with the B.

(c) There is nothing better, for if 12—Q-Q2, SxP, or if 12—K-S, BxS; 13—PxB, Q-R6; 14—P-QB4, P-QS4, with a far superior game. (d) Threatering, besides Q-QR4, SxS; 19—PxQ, SxBch, winning.

(d) Threatering, besides Q-QR4, SxS; 19—PxQ, SxBch, winning.

(f) The best of a choice of losing mores. Black's threat was 16½—R-Q5, and if white tries to prevent it with 16—Q-K3, S-S5 wins.

(g) There is no defense.

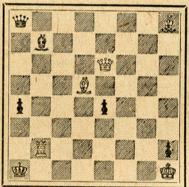

(h) Obviously the black knight cauld not be captured with either Q or S.

(i) If 23—K-B2, SxR; 24—KxR, R-K, winning, for if 25—K-B2, SxP; 26—BxS, R-K7ch.

## MONTHS OF SUFFERING

### How a Baltimore Girl Recovered Her Health

Baltimore, Maryland.—"For several months I suffered with severe

backache and general weakness. I could not sleep comfortably at night for pains in my back. I found my back. I found your book at home one day and af-ter reading it began at once to take Lydia E. Pinkham's Veg-etable Compound. I have had

very good results and some of my girl friends are taking it now. You may use this letter to help other girls, as the letters in your book helped me." the letters in your book helped me."

— ROSE WAIDNER, 3018 Roseland

Place, Baltimore, Md.

That is the thought so often expressed in letters recommending Lydia E. Pinkham's Vegetable Compound. These women know what they have suffered, they describe their symptoms and state how they were finally made well.

finally made well.

Lydia E. Pinkham's Vegetable
Compound is a medicine made from medicinal roots and herbs, and without drugs, to relieve the sickness women so often have, which is indicated by backache, weak feelings, nervousness, and no ambition to get anything done or to go anywhere. It has helped many women. Why not try it?
