CFNC ACTIVITIES

Tournaments. Results of the Four Leaf Clover Chess Tournament (sponsored by the Oakland Chess Club) are presented on page 4. Results of the 1968 Peninsula Open (sponsored by the LERA Chess Club) are presented on pages 5 through 8. This latter tournament drew a record of 156 players.

The next upcoming CFNC tournament is the 1968 Oakland Open (replaces the previously scheduled Berkeley Tournament announced in the 1967 Winter issue of this magazine). The Oakland Chess Club is sponsoring this tournament, and is offering over \$500 in cash prizes plus 18 trophies. The tournament will include a USCF open division, CFNC A, B, and C divisions, and a Junior division (see pages 27 and 28). Mr. Raymond Ng of the Oakland Club will act as Tournament Director, assisted on a full time basis by International Chessmaster George Koltanowski and Roy McCollough. The Junior divisions will be directed by Mr. Richard Shorman of Hayward.

Other upcoming CFNC tournaments include: (1) the Oakland Chess Club's Fifth Annual Summer Tournament to be held on the weekend of August 24-25 at the Oakland YMCA; (2) the Third Annual Northern California Class Championship Tournament to be held on the weekend of September 21-22 at the LERA main auditorium, Sunnyvale; and (3) the First Annual (1968) Greater Redwood Empire Open Tournament to be held on the weekend of October 12-13 at the Novato Community House, Novato. This event is being sponsored by the Novato Chamber of Commerce. International Chessmaster George Koltanowski will act as Tournament Director for both these latter events.

League Play. Results of the 1967/1968 CFNC League season are as follows. In the Contra Costa League, Walnut Creek won the first place trophy and Concord-A placed second (see pages 10 through 13 for round-by-round results). In the East Bay League, the Oakland Knighthawks won the first place trophy and the Berkeley Bears placed second (see pages 14 through 17 for round-by-round results). In the Peninsula League, LERA-A won the first place trophy and Daly City placed second (see pages 18 through 22 for round-by-round results). In the playoffs, LERA-B placed first, the Knighthawks placed second, and Walnut Creek placed third (see page 9 for round-by-round results). The second-place teams are competing for the runner-up trophy, and results of this playoff will be presented in our next issue. On an individual basis, Mark Watson of Concord and Bill Sprague of Berkeley each won the trophy for best performance by an Expert/A player, Saleh Mujahed of Walnut Creek won the trophy for best performance by a B-player, and Paul Westerline of Concord won the trophy for best performance by a C-player. It is not too early to start planning your teams for the 1968/1969 CFNC League season (see team captains meeting on page 9).

Ratings. We continue the CFNC policy of using the IRS (instantaneous rating system) for tournaments and league play whereby each player knows his rating before each game, knows his handicap rating once his opponent is known, and knows his new rating as soon as his game is finished. The rating list (pages 23 through 27) includes the results of all league games. Next season we plan to rate league games round-by-round.

Club Support. We continue the CFNC policy of providing support to chess clubs sponsoring chess events; we are supporting the Oakland Chess Club with their 1968 Oakland Open Tournament.

Board Action. Although there have been no board meetings recently, the members of the board are in constant touch with each other, making decisions and taking action.

Club News. The Oakland Chess Club is currently holding their Club Championship Tournament (CFNC-rated). The IBM Chess Club has just completed their Club Championship Tournament (CFNC-rated). Congratulations are extended to Mr. Russell Hileman for winning their club championship, closely followed by John Barlow (second) and Laron Jacobsen (third). The LERA Chess Club held a 34-player C-tourney in Jan-Feb, a 28-player B-tourney in March-April, and are currently holding their A-tourney (all CFNC-rated). Daly City is in the midst of their Club Championship Tournament. The LERA Chess Club has challenged the Oakland Chess Club to a 25-player match this summer. IBM, Daly City, and LERA have intra-club matches planned. There are probably many other events occurring that were not reported. Please send club news items to the "Chess In Action" editor so we can make this feature more inclusive.

Festivals. The San Bruno Chamber of Commerce is holding their Second Annual San Bruno Chess Festival at Becker Field in the San Bruno City Park on Sunday, July 7, from 10:00 a. m. to 6:00 p. m. The Sonoma Chamber of Commerce is holding another of their very successful Sonoma Chess Festivals at the Sonoma Plaza on Sunday, August 4, from 10:00 a. m. to 6:00 p. m. International Chessmaster George Koltanowski will act as Tournament Director for both these festivals. News Flash: Mr. Edmondson, Executive Director of the USCF, plans to attend these events.

FOUR LEAF CLOVER CHESS TOURNAMENT — March 17, 1968

The Four Leaf Clover Tournament was held at the Oakland YMCA on Sunday, March 17, 1968. Mr. Raymond Ng acted as Tournament Director. There was a USCF division and a CFNC division. In each division, the players were divided into sections of four players, and the players in each section played a round robin. Thus, each player played three games. The winner of each section was awarded a prize. Congratulations are extended to Gary Pickler, P. M. Brown, Jonathan Hale, James Tilden, James Dorfman, Kim Stockdale, and Stephen Nelson and Steven Perry for winning their CFNC sections. A crosstable showing the results of each CFNC section and the rating changes for each player is presented below.

It is not too early to start planning for our 1968/1969 League season. All clubs planning to enter a team or teams should send their team captain or team representative to the team captain's meeting which will take place at 8:00 p. m. on Monday evening, September 16, 1968 at the Hayward Chess Club, 2058 D Street, Hayward. At that time, rules governing league play will be established by majority vote. Our new Tournament Director, Jim Hurt, will be in charge of the 1968/1969 league. If you have any questions concerning the league, contact Jim at P.O. Box 451, Sunnyvale, California 94088.

1967/1968 EAST BAY LEAGUE RESULTS

The East Bay League consisted of the following eight teams: Knighthawks, Berkeley Bears, Hayward, Square Morphys, Knight Owls, Richmond, Stingers, and Alameda (the Knighthawks, Knight Owls, and Stingers are Oakland Chess Club teams).

The Knighthawks captured first place with a score of six wins and one loss, and the Berkeley Bears captured the runner-up spot with a score of five wins, one draw, and one loss. Hayward captured third place (tie-breaks). Williard Sprague of the Berkeley Bears team will receive a trophy for his fine performance in the Expert-A category; Bill won six games and drew his seventh game.

The league results are presented in the following crosstable, and round-by-round results showing individual player scores and rating changes are presented in the following pages.

1967/1968 PENINSULA LEAGUE RESULTS

The Peninsula League consisted of the following nine teams: LERA-B, Daly City, San Bruno, LERA-A, IBM, Carlmont, San Mateo, San Jose, and Westinghouse.

After winning some close matches, the LERA-B team went on to capture first place with eight straight wins. Daly City captured the runner-up spot with six wins, one draw, and one loss. Daly City is to be commended for such a fine performance by a new team. Carlmont also turned in a fine performance for a new team.

The league results are presented in the following crosstable, and round-by-round results showing individual player scores and rating changes are presented in the following pages.
