

Lone Pine 4/21/75

MT. WHITNEY near Lone Pine, Calif., long held the lofty honor of being the highest peak in the United States. Then Alaska (with Mt. McKinley) entered the union. But Mt. Whitney lost not one inch in the process and it still stands 14,496 proud feet high. It is the highest of the High Sierra and is still the top of 48 contiguous states.

High Everybody After  
6 Rounds: Browne, Evans,  
Liberzon, Sigurgonsson 4 1/2  
Panno, Quinteros, Gheorghiu
