How are you? I hope you always fine. As I promised to you, herewith, I send a photo of you and my wife. At that time, we'd very nice time on USA. We went to Washington DC, New York than go back to Jakarta via Singapore.

I hope you like this photo (this is on closing ceremony, Rymont Chinese Restaurant).

I think my letter is enough here, with great hope we can meet in chess scene on other days.

Your Sincerely

Note: If you have some information about tournament in USA, would you sent it to me.

It will help me, since I like to travel with my wife to play chess.

Thank you very much.
