Dear *ALAN*

I'm not going to let a broken back prevent me from having my annual get-together, so this is your invitation to my 9th Annual Christmas/Chess Party, to be held on Saturday, December 23rd, 2006, at my house at 461 Peachstone Terrace in a community called Marinwood. Marinwood is a suburb of San Rafael, located off Hwy 101 about five miles north of Central San Rafael, just south of Novato. The party starts at 2 pm. After taking the Marinwood/St. Vincent exit (guests coming from the south must take the overpass) you will be on Miller Creek Road. Take the third right turn, which is Peachstone, and go to the end of the street. 461 is on the left. There's plenty of street parking. No gifts, please, not even wine. Your coming to the party is your present to me. Arlene Svizzero will again cater the event, so bring an appetite. Alcohol will be available. This invitation is going out to over a hundred people, many of whom are not really expected. Every year I'm surprized. If you need a ride from the City or the East Bay just let me know.

Merry Christmas &
Happy Hanukkah

Mike
