Dear Al:

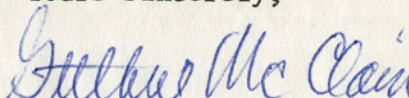

I will have to pass up being at George's birthday party on September 16th.

My reason is simple: September 16th is my birthday, too! And I am going to be with my family on that day, out of town.

I enclose a \$10 donation to the fund.

With warm wishes toward a happy birthday party for George and a successful start of the Kaltonowski Fund for Youth Chess, I remain

Yours sincerely,

Guthrie McClain
