## P R E F A C E

The 62nd annual United States Open Chess Championship was held at the Hotel Sheraton-Palace in San Francisco, California during August, 1961.

At the close of the tournament, Pal Benko won a tremendous victory with the highest score ever attained in a U.S. Open over a record field of 196 entrants.

The details are amply recorded in the next few pages and make a discussion here superfluous.

I note and acknowledge the help received from Guthrie McClain who produced daily bulletins of the event. His efforts have been duly recorded within this volume together with additional games gleaned from the game scores he sent me over a year ago.

A total of 240 games have been recorded herein embracing all the games of the leaders which have been found together with a selection of games from the lesser-known players. The "amateur" is often overjoyed at seeing his game in print, occasionally, even though he may have lost it.

The event was held in one of the most picturesque cities in the United States and will be a memorable one to all who had the privilege of attending it. The only complaint voiced by some players was that they had failed to bring enough warm clothing. The temperature never soared above 65 during the tournament and was usually down to 50 degrees by game time each night. Needless to say, there was no need to provide air-conditioned quarters.

Your editor hopes that the selected games meet with the approval of the players and the subscribers to this series and that by replaying the games, some of the excitement and tension surrounding the games will again be brought to mind.

JACK L. SPENCE,

BENKO WINS U.S. OPEN CHAMPIONSHIP \*\*Highest Score Ever Attained At Largest Open

Hungarian Born International Grandmaster Pal Benko, of New York City, topped a record field of 198 players at the U.S. Open held in San Francisco August 14th-26th with a record-breaking score of 11-1. By drawing only two games and winning 10, Benko's score was the highest ever achieved in the sixty-three consecutive years that the event has been conducted.

The tournament conducted in the picturesque city of San Francisco was the largest attended Open --Milwaukee, 1953--with 183 players holding that first place spot for the last eight years.

Benko's play was outstanding as he held the first place spot throughout the entire event. He won games from Cuneo, Weinberg, Morgan, Lapiken, Otteson, Kovacs, Addison, Rivise, H. Gross and defending champion, Robert Byrne. His two draws were registered with Louis Levy, Paterson, N.J. and Arthur Bisguier of N.Y., a former champion.

Close at Benko's heels in clear second place, a fellow Hungarian countryman, Zoltan Kovacs, now a resident of Los Angeles, scored 10-2, which in last years open at St. Louis, was good enough a score to win the tournament. Kovacs is the California State and California Open champion. His only loss was to Benko and draws with Bisguier and Irving Rivise of Los Angeles netted his 10 points.

Grandmaster Bisguier, paired with Robert Byrne in the final round, lost a closely contested battled and knocked himself out of a clear second place, ending with a score of 9½-2½ which tied with Byrne at 3rd-4th. Bisguier's draws were with Kovacs, Benko and Rivise while Byrne's were with Loftson, Gersch and Edgar McCormick, U.S. Amateur Champion.

Two players tied for 5th-6th at 9-3. They were William Addison,

of San Francisco who drew with Gersch, Bourke, Osburn, H. Gross and lost to Benko and J. G. Sullivan who drew no games but lost to Kovacs, Byrne and Lapiken.

A six way tie for 7th-12th was registered by the following players at 8½-3½: Martin Harrow-Rego Park, N.Y., Irving Rivise, Charle Henin-N.Y.C., Jack Witeczek-Lorain, Ohio, James Schmitt-S.F. and Rex Wilcox of Salinas, Calif. Over \$3,000.00 in prizes were awarded.

Eleven women competed in the U.S. Open Women's Championship and 1st place was won by Mrs. Eva Aronson of Chicago with 7-5. She is a former champion, winning the event in Milwaukee, 1953. In 2nd place was Mary Selensky of Philadelphia. Kathryn Slater of N.Y.C., the 1958 champion, entered the last round with 5½ points, and appeared an easy 2nd place winner, but missed what appeared to be an easily won game. She shared 3rd-4th place with Mabel Burlingame of Phoenix. Lucille Kellner of Detroit and little Cecelia Rock of Beckett, Mass., tied at 5th place with scores of 5 points each. Lisa Lane did not participate.

San Francisco will be probably remembered as the "best" Open ever held. The beautiful city of San Francisco and the charming hospitality of the local committee consisting of Henry Gross, Guthrie McClain and the Spencer Van Gelders' was one of the highlights of the event. Once again George Koltanowski and his competent staff directed the event without difficulties and with complete control and pleasantness. An awards banquet was held and a Sunday Brunch during mid-tournament.

\*\*CHESS LIFE, October, 1961

HIGHLIGHTS AND SIDELIGHTS OF THE OPEN

Pal Benko was born in Amiens, France on July 15th, 1928. His family moved to Budapest when he was four years old and four years after that his father taught he and his older brother the moves. Most of his early training as a chessplayer came from books and from solving problems. When he entered high school at 12 years of age, he competed in his first tournament where Hungarian masters were also playing. He won the tournament and was awarded the title of Hungarian Master. Shortly after that, at 20, he won the Hungarian title and at 22, FIDE awarded the title of International Master to him for his performance in matches with the USSR. He was the high scorer for Hungary in the three matches he played against Russia. In 1957 he left Hungary and competed in the European Zonal Championship at Dublin, Ireland and took first place. Making his home then in the U.S., he competed in the Interzonal at Pórtorez and placed third, qualifying for the World's Candidates Tournament and earning the International Grandmaster title. Probably the most active Grandmaster in American tournaments, he has won the Greater New York Open twice, the Western Open twice, the Manhattan Chess Club Championship twice and has placed either second or third in the last two U.S. Opens. He is a securities dealer and life insurance underwriter by profession and lives alone in New York City. His principle interests outside of chess are reading and visits to the Opera. He will become a U.S. citizen in 1962.

\*\*\*\*\*

When interviewed about who win the tournament, George Koltanowski volunteered that it would be between Robert Byrne, Arthur Bisguier and Pal Benko. He noted: "Who will win it of the three favorite? Your guess is as good as mine.

"My favorite is Bisguier. He needs a little prodding at times, has the bad habit of losing a game early in the tourney, but then fights his way back to the top in deadly fashion. He can bring off terrific combinations. I would think Byrne will be second and Benko third."

Naturally, there will be many others who will be close to the top, and an unknown might surprise the whole gathering, just as at Rochester, Minn. in 1958, where Cobo of Cuba took first place to the astonishment of all players." "As Lisa Lane, the woman's champion will not defend her title, it looks like a battle between Mary Selinsky of Philadelphia, and L. Keller of Detroit with Mable Burlingame a strong contender. I am inclined to give Mary a slight edge over the other two.

"Mary can be extremely nervous, which reminds me of the time she was to play Sonja Graf in a tournament a few years ago. After she knew whom she had to play, Mary kept pacing up and down the room. I tried to calm her, told her not to worry and take it easy at the game. "Worry about the game?" was her reply. "Oh, no, I am worried about what dress to wear."

"The time limit in the tournament is 50 moves in 2½ hours. Games that are adjourned are continued the next morning at 9 A.M. The latest story making the rounds here is about the well-dressed man, carrying a chessboard, men and book, who showed up in a psychiatrist's office. Fascinated with his material, the doctor smiled: A chessplayer I see. The man shook his head "No?" said the puzzled psychiatrist. "But why the equipment." "That," snapped the patient, "Is what I am here to find out."

Among early round leaders at the end of three rounds were Bisguier, Benko, Kovacs and Levy. An upset resulted in the Byrne-Loftsson draw.

At the close of four rounds, only 12 players were undefeated of 196 entrants. Koltanowski noted, "Steadiness is demanded of the players at this point--with the tension and pressure mounting heavily...In the 12 rounds of play, it is highly unusual for a player to emerge as champion with a score of less than 10 points. Pal Benko, top-ranked player of the tournament is pitted against Dr. Peter Lapiken at Board One tonight. Dr. Lapiken, who was ranked 23rd, swept through his first three games to enter the field of top competition.

Dr. Lapiken, a white-haired Russian language teacher at Montana State University, frowned as he examined the draw pairing him with Benko, "I'll have to be careful."

Benko shrugged. He is a 33 year old Hungarian who escaped his country during the 1956 revolution and became a securities dealer in New York City. "I'm only nervous when I lose a game," he said, "Otherwise, it's all right."

According to Koltanowski, "Yesterday was Teen-age Day at the U.S. Open. Youngsters flocked in from through Northern California to watch the "little big game" between Charles Stevens, 14, Baltimore and George Kane, 12, Redwood City, Calif. which ended in a draw.

"The two youngsters slugged it out aggressively in last night's 6th round. They stole the show from masters like Robert Byrne, the impeccably dressed, chain-smoking 1960 Open Champion.

Kane, using a Sicilian Defense, had Stevens one piece down at the 25th move. Stevens missed a win at that point, but it was still anybody's match. At the 27th move, Kane offered a draw. Stevens pondered long and finally accepted and the match ended in a draw.

A special table in the corner was set up for the juniors who followed the match.

"Apart from the struggle on the board, the spectators were treated to a dramatic study in personality contrast.

"Stevens is propelled by a nervous energy that makes it difficult for him to sit still. When he is "on the move" he concentrates on his position, but then gets impatient and cruises throughout the room, inwardly kibitzing other games.

"Kane, on the other hand, sits calmly behind his pieces for hours as placid--as a Buddha. When he is in a tight spot, murmurs rise in the watching crowd--but no emotion shows on the boy's face.

"Seven games were being played on a special podium reserved for the leaders. Among these was a struggle between Bay Area veteran players, William Addison and Eric Osbun, a youth from Santa Rosa who has made a meteoric rise in the chess world.

"John Blackstone, 17, a high school student, has been a major surprise in the tournament, winning game after game against more experienced opponents.

At the end of six rounds, a deadlock resulted between Bisguier, Kovacs, and Benko

After nine rounds, five Californians were arrayed with Eastern players. Addison-Benko, Bisguier, Kovacs-McCormick, Osbun-Byrne Loftsson-Levy. Byrne won easily. Benko-Addison had it's beginnings eight months ago at the Olympics. There, Bobby Fischer won an impressive victory over Euwe. What was important about the game was that Fischer had showed a weakness in a key variation of the Caro-Kann. The story next shifts to Los Angeles, where T. Weinberger found an improvement for Black and won against Evans. Word spread around chess circles that Fischer and Benko had analyzed their attack and had discovered a "bust" finally accepted and the match ended in Weinberger's defense.

Addison was wary of all but the purported analysis. Benko played a QP opening, but Addison invited him to transpose into the

attack against the Caro-Kann. Benko took up the challenge.

The game went according to Evans-Weinberger for some twenty moves. Addison patiently waited for the "improvement" and it appeared that Benko, who was taking an exceptional amount of time for his opening moves either could not remember the improvement or hesitated to play it.

Soon, however, it was Addison who was forced to slow his play. Benko did have a subtle improvement and although the San Franciscan's game was superficially attractive, his poorly placed King caused him difficulties. Benko brought about an endgame in which his control of the center was decisive.

Benko swept into first with 8-1 while Bisguier was drawing with Rivise. Kovacs bested McCormick while Lofftson outmaneuvered Levy.

"Top Rated Benko went into the 10th round with only a half point lead but a definite strategic superiority.

Benko, 33, a securities dealer and twice runner-up in previous opens, faced last year's champion, Robert Byrne, 35 year old philosophy professor in Indianapolis.

Benko's position emphasized the difference between tournament chess and the home variety, where the players aim only at winning each game.

He could gamble for a win against Byrne, his final formidable opponent, and take the risk of an outright loss. Or he could be content to play a cautious, defensive game and be satisfied with a draw, which would still leave him in 1st place with no opponents of Byrne's ability in sight.

Benko has eight points, Byrne, Bisguier and Kovacs  $7\frac{1}{2}$ . Rivise, Levy, Harrow and Lapiken have 7.

I would say Benko would be quite happy with a draw with Byrne because he has played all the other major players. But the pressure will be on Byrne to win.

Their styles, incidentally, are quite different. Benko, a Hungarian with extensive chess experience, is solid, steady, with a touch of the professional.

Byrne is one of the last modern masters who play the romantic rather than the mathematical approach.

The 196 players are competing for \$3,000.00 in prize money from the U.S.C.F., plus six silver trophies donated by The Chronicle

And at this point, anything can happen. I hesitate to predict the winner."
