Dear Dr. Ralston:-

At a previous time I have purchased from you Supplements Nos. 1 & 2 planned and edited for the California Chess Reporter.

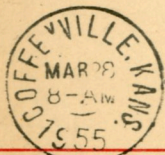

If there has been any subsequent Supplements printed since these, I would very much like to obtain copies of each. If such is the case you may either send them along for which I will make remittance immediately or inform me of those ready for sale and I will send check in advance. I prize these little booklets very highly and hope to maintain a full set of all printed to date.

Sincerely,

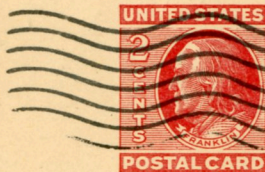

S. J. Bennett
