CHALLENGE BOARD

The number of games in a challenge match shall be not less than two nor more than four. Clocks must be used if either player so desires, with at least 20 moves per hour time limit. Match arrangements (use of clocks and time limit, number of games, etc.) must be agreed upon and given to the Team Captain prior to start of games. Team Captain is in charge of all matches unless he is a participant, in which case the President shall appoint a special referee for Team Captain's match. No member with scheduled games in a tournament or challenge match can be challenged until all scheduled games are completed. Any member can challenge a higher board position, or can challenge the future winner of a match in progress. A challenge must be answered within two weeks (provided members are able to attend meetings) with a game each Wednesday night, otherwise forfeited. Results of matches are approved by Team Captain and turned over to the Secretary-Treasurer, who changes positions on the Challenge Board. Each year's Chess Tournament results will determine the new listing of the Board for the following year. POSITIVELY NO KIBITZING.

A challenger shall be allowed to challenge any opponent not more than two places above the challenger to a contest consisting of one game. The person being challenged shall have the choice of colors and shall retain his position in the event of a draw.
