Dear Mrs. Piatigorsky,

Bobby Fischer has been vacationing in Reno and the thought occurred to us that a 10 or 12 game match between us would prove exciting to chess fans. Play could proceed at the pace of 4 games a week, with a starting date in August.

Is the Piatigorsky Foundation interested in sponsoring such a match in Los Angeles? Our feeling is that \$500 per game would be fair, with the purse divided 60% to the winner and 40% to the loser. In addition, expense money of \$600 to each player from which each will assume responsibility for his own travel and lodging, etc.

We are keenly looking forward to such a struggle and can assure you that there will be no grandmaster draws.

Cordially,
Larry Evans *Bobby Fischer*
