Dear Mr. Reynolds:

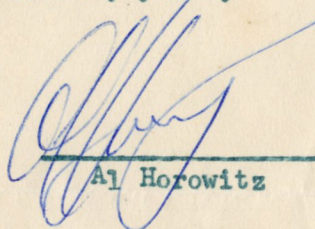

Thanks for keeping in touch.

With the effort that you put into a club, it is bound to succeed.

If you can lay hands on the picture which appeared in the Fog Horn, and send a little story along with it, I don't see any reason why we shouldn't use it in CR.

I am turning over some of the issues of the Herald to our news department. Possibly they may cull from it for CR.

Sincerely yours,

---
