Dear Mrs. Piatigorsky:

We have finally been able to estimate the cost of printing and binding copies of your Chess Tournament book.

Assuming that there will be 160 pages of a book 6 inches by 9 inches in size printed in black ink with approximately 50 illustrations of chess arrangements and bound in full cloth, gold stamped on the spine, with a two color dust jacket, the cost would be \$4500.00 for 1,000 copies. For additional 1,000 copies printed at the time of the original printing, the cost would be \$1295.00

I realize that it is too early to know the exact number of pages, but this will give you an approximation of your cost.

We quite probably could handle the sale and distribution of copies for you also.

Very truly yours,

Ward Ritchie
