Dear Art,

I believe Grandmaster Gligoric's appearance last year at the Student Chess Club was a huge success. He is coming again this year to try his luck in the National Open and in the Statham Masters & Experts. He has asked me to arrange several simultaneous exhibitions after the tournaments.

I note that he appeared for your club on a Tuesday last year. I would very much appreciate a reply as soon as possible telling me whether or not the Student Chess Club would like another exhibition by Gligoric on Tuesday, March 21, 1972. Same terms as last year, which I believe included a \$150 minimum guarantee and a night's lodging in a hotel or a comfortable private home.

I am sure you can see the necessity of a quick reply. If the Student Chess Club cannot host Gliga on the date suggested, I must do my best to arrange an alternate for him.

Cordially,

E. B. EDMONDSON
Executive Director
