Dear Mrs. Piatigorsky:

I join your many friends in congratulating you as a 1966 Times Woman of the Year. I well remember the chess tournament which was held in California last summer. I shared your pride in the great boost which that tournament gave to United States chess.

You are a woman of many accomplishments. I urge you to continue the important work of making the mind relax in a game of skill.

Sincerely

A handwritten signature in cursive script, reading "Edmund G. Brown".
