Dear Mrs. Piatigorsky:

Enclosed is the cross-table of the California Junior Chess Championship Tournament, held in the Memorial Building of the Los Angeles High School from June 27 to 29.

This will acknowledge receipt of \$175 from the Foundation as cash prizes for the winners of the tournament. Following are the names and addresses of the winners and the amounts paid to them by me:

Bruce Antman, 831 No. Perry, Montebello	\$75.
Albyn Jones, 11956 $\frac{1}{2}$ Walnut Lane, Los Angeles	75.
Stewart Schwartz, 12623 Crewe St., No. Hollywood	25.
Total	\$175.

The number of participants was less than last year, but the overall strength was considerably superior. I believe the improvement is due in large measure to the continued support of junior chess by the Piatigorsky Foundation.

Sincerely yours,

Isaac Kashdan
Tournament Director
