My Dear Mrs. Pictigorsky -

My name is William Windom. I had the pleasure of sitting beside you (and losing beside you to Reshevsky!) at one of his marathons a couple of years ago.

May I please have the favor of a season ticket to the Miriman tournament mid July through mid August, and may I thank you and your husband for giving us all this opportunity of a lifetime. Your efforts on behalf of chess are truly magnificent!

Gratefully,

Season ticket
