Dear PCA member,

This is your official notification of the PCA mail ballot for Secretary-Treasurer. The winner of this election will serve until April, 1980 (the remainder of Bill Lombardy's term), when there will be elections for both President and Secretary-Treasurer.

Two candidates have been nominated for this PCA office. They are Alan Benson and William Goichberg. You may vote for either of them or write-in a candidate of your choice. Please remember that only PCA Voting Members can hold a PCA office.

Write the name of your candidate on a sheet of paper, fold it so that the name will not be exposed, and put it in an envelope with your name and address. Send the envelope to:

Jack Peters - Election

6928 Clinton St.

Los Angeles, Ca. 90036

On September 1, 1979, I will open all the envelopes, remove the folded sheets of paper with your votes, and have another PCA member count the votes. This procedure assures us that only PCA members will vote, and assures you that your vote will remain a secret.

The results of the election will be published in the "PCA Newsletter". Incidentally, the next issue of the "PCA Newsletter" will be mailed to you this month.

Sincerely yours,

*Jack Peters*
