Dear Lady,

First of all, I wish to express my very great admiration and deep congratulations for what you are doing for the cause of Chess, not only American, but of the whole world !

I am ex-champion of Brazil, a lawyer and I write a week chess column in the local newspaper "O Povo" (The People), entitled "No Mundo dos Trebelhos"(Chess men's World). Mr. Najdorf knows me very well.

By the teletype, we are receiving all the news about the II Cup Piatigorsky which is in course actually at Santa Monica.

Unfortunately, we are lacking the games and so I beg you the special favor of ordering your staff to send them to me by air-mail, so I may give a complete and up-to-date covering of the II Cup Piatigorsky.

Enlose, I send to you my chess column, published today, containing a large notice about that great event.

Thanking you in advance for your kind attention,  
I am, dear Lady,

Yours truly,  
Ronald Câmara
