My dear Mrs. Piatigorsky:

The Santa Monica Bay Chess Club is sponsoring a periodical, Chess Time, as a vehicle for matters literary on the subject of chess. (On page 92, of the April issue of Chess Life, Mr. Hochberg was kind enough to say a few encouraging words about us.)

As the foremost figure in our chess community, you are a center and maker of news.

If, in the course of your activities, you would prefer to disseminate news stories, games of interest, anecdotes, or memorabilia deemed of suitable interest to chess devotees, Chess Time would be most grateful if permitted the opportunity to consider them for publication.

Cordially,

Joseph Mill Brown
Director of Public Relations,
Editor, Chess Time
