

November 13

Dear Alan,

I hope your back's not bothering you any more. Are you feeling better?

I received \$40 from Erik Osburn. Ten dollars is for his membership, and thirty for the Masters Open fund. Here's his new address:

Erik Osburn A4-80

925 Sunset Ave.

Santa Rosa, Ca. 95401

Please let me know how things stand with Lombardy, and if you have found a bank for the PCA treasury.

Diane's doing very well in Spain (10-6), although she won't qualify for the Candidates Matches. The PCA should be proud of a member's success!

Best, Jack
