Madame Piatigorsky,
president of the
Piatigorsky Foundation.

Dear Madame Piatigorsky,

as I just read the
L.A. Times Chess section, that the Russians decline
cup tourney bid and that the names of the final two
to complete the list will be announced shortly,..
X as a Hungarian descendant may I make a humble
proposal in favor of the Hungarian player Lajos
Portisch.

As an old chessplayer, I rate him very high.

Asking for your most favorable consideration,
I remain with great admiration and respect, regarding
your chess activities.

Very truly your
