Dear Max:

Perhaps PCA NEWSLETTER has not published recently, or perhaps something has gone awry with my subscription.

I sent my check #843 dated 4-16-79 to my good friend Bill Lombardy, payable to PCA and marked for the PCA Newsletter subscription. The check cleared my bank 8-21-79.

Meanwhile, I have received no Newsletters since Vol.1 No. 2, of which I received two copies.

I would much appreciate receiving whatever is available, for the few issues were rather different for chess periodicals and indeed quite interesting.

Very sincerely,

Fred Cramer
