July 3rd, 1980

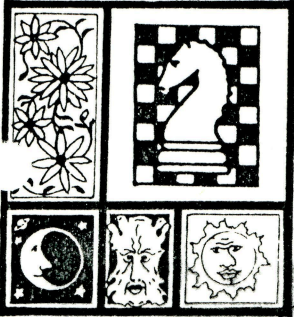

Just wanted to get a brief note off before
the July 4th weekend.

Item #1: Next week I will get to the business of preparing the newest (latest) mailing list of PCA memb. Do you have need of copies in mailing list label form? If so, how many copies? (Will also send xerox copy for your records.).

Item #2: Shall also prepare a financial report. How much money we have at present. Income & Expenditures (also what money has been earmarked and for what purpose.).

Item #3: The PCAN could use an official editor. May I suggest IM John Grefe whom has expressed in interest in the job. I feel a minamal salary of \$50 per issue be granted to John. As we make these kind of decisions - what are your thoughts on this matter?

Item #4: Max has expressed an interest in receiving \$6 a page as opposed to the salary he now receives. Thoughts on this matter? He has purchased some nice machines for printing, binding and half-tones.

It would be very much appreciated if you could lend your position in chess to getting important tournament games & results to Max.

Best of luck with the 8th Annual "World Open". Hope it was a big success!

Sincerely,

Alan Benson

P.S. I think IM Grefe would be an excellent editor making great game choices with anotations to match.

P.S.S. Enclosed a report concerning Robert Anderson's complaint over prize structure in one of my big tnmts. Would appreciate your thoughts on this kind of problem - do you agree with my analysis?

P.S.S.S. Did you receive the postcard I sent?
