Dear Mr. Ralston:

I received your letter of the 10th yesterday (Wed) just in time for our special business meeting.

It was decided to proceed on the basis of a match with your Club on April 5, being a Saturday evening. 20 boards is agreeable with us, as I believe Nick Russ will line up several players from his area.

We can furnish 10 or 12. Nick will advise me direct on this.

Would suggest we start the match at 7 PM, or as soon thereafter as possible. Some of us will have quite a drive to make to get home.

Our Club will bring three electric clocks, and one mechanical clock. I hope there will be enough more clocks available in order to play at least the top ten boards on a time basis. Our usual time limit of 40 moves in the first two hours and 20 moves per hour thereafter seems to be a regular schedule out here. Is this agreeable?

If we could all get together around 5:30 or 6 and have dinner in a banquet hall somewhere, it would add to the good fellowship and acquaintances. This would be in your hands, if arrangements could be made.

Very truly yours,

J. B. Gee
