Dear Mr. Koltanowski:

I would like to propose Jacqueline Piatigorsky for your Koltanowski Caissa Award. Following are some of the things she has done for chess promotion during the past year.

1. Co-sponsor of the Fischer-Reshevsky Match.
2. Complete support and sponsorship of the Herman Steiner Chess Club, which to date has almost 200 members, among whom are some of the top-ranking masters in Southern California, and is probably the most formidable club in California.
3. She has contributed to The American Chess Foundation for various events taking place in Europe, and in general has done much to support chess throughout the United States.

She is at present in New York playing in the U.S. Womens Championship Tournament.

Sincerely,  
*Lina Grumette*
