Annual Intercollegiate Chess Tournament  
Hetzl Union, Penn State University, University Park, Penna.

The following chess players are well qualified to give instructions, lectures, and exhibitions in chess. Their terms - as to expenses and honoraria - and their availability will vary from man to man, but I feel sure the many requests you are getting for this type of talent from your college union recreation directors can in most cases be well filled from this fine list. It is indeed the cream of our crop.
