Dear Mrs. Piatigorsky:

Enclosed herewith is the formal acknowledgment of your contribution for the scheduled match between Reshevsky and Fischer.

We are still awaiting final word as to the balance of the funds and as to the details to be agreed upon by the two players. Meanwhile, I would very much appreciate it if you could send me your ideas as to what you think ought to be done and what responsibilities can be assigned to whom in each of the two cities in which the planned games will be played.

I would also very much appreciate it if you would let me know whether you have given further thought to the proposal that we discussed about setting up a Permanent Piatigorsky Fund, the annual income of which would be used for such projects as the one that you are now supporting with your current gift. The last I heard on the subject was a telephone inquiry from your representative in this city.

I would be most grateful to you for advising me as to how the matter stands now and as to whether you would permit me to contact your representative here for a further review on that subject. Meanwhile, let me express to you our thanks for your splendid help towards the Reshevsky-Fischer match and send you my very best regards.

Sincerely yours,

Sidney Wallach
