Dear Mrs. Grumette:

We have received a copy of a denunciatory letter
on the Reshevsky-Fischer Match from an:

Ephraim Milcas
2153 Vallecito Drive
San Pedro, California

I wonder whether you could find out and let us know
whether there is such a person and what sort of man
he is.

More important: When Mrs. Piatigorsky was here, she
seemed interested in my suggestion that a small, high-
level Los Angeles committee be organized, to be affili-
ated with the American Chess Foundation and to set out
to raise funds annually from that area for the national
and international projects that we try to support and
for support of significant local chess activities. I
wonder whether you would discuss this with her and let
me know how this stands.

With best personal regards,

Sincerely,

Sidney Wallach
