534 Precita Ave.
San Francisco 10,
California.

Dear Mr. Reynolds,

Many thanks for your letter and sending the Chess Magazine. I understand your reasons and I hope some other time you will find your way to arrange the simultaneous so that it may be profitable for both sides.

I am glad to hear you have some other projects in sight and I thank you for your invitation to your spaghetti feed to which I shall try to come.

With the very best wishes
yours truly

Imre Konig
