Dear Kirby:

Received your note of the 4th, with check for \$6 enclosed. Thanks. Have credited San Jose with this.

As to the back issues, I have just the one file copy of each issue so am unable to furnish you with any. Am sorry now that I didn't make about 10 extra copies of each issue, could surely have used them. Have often had requests like yours for back numbers.

Hope to get another issue out this week, but finding sufficient spare time often is a problem.

Yours,

Gee
