Dear Mr. Roberts,

Just a note to tell you how much we appreciated your participation at the March 12 University of California Forum on Violence Prevention in San Francisco. I was very pleased that you were there to share literature about your wonderful program, and your willingness to demonstrate the chess program during the lunch hour. If I could change one aspect of the day, I would have wished for a nice sunny warm day which would have given you the outdoor space and greater audience participation at your table. Maybe we'll be more fortunate in the future.

With best wishes,
