Re - Reshevsky Exhibition Tournament.

Dear Sirs:

I am very interested in your
"Reshevsky Exhibition Tournament" Jan. 9, 1966.
I have only been playing chess for
1½ years, ~~in~~ in my 1½ years, at local
chess clubs I have played in three
tournaments; In these three tournaments
I have a first and two seconds.

I hope you have an opening
in your exhibition tournament for
me, because I am looking forward
to playing against a player of
Mr. Reshevsky caliber. I will be
very thankful for any consideration
you may be able to give me.

Yours very truly,
Larry Reynolds
