Gentlemen:

I should like to apply for the privilege of playing against Mr. Samuel Reshevsky on January 9, 1966.

I am an eighth grade student at Monroe Junior High School in Inglewood, Calif., and last year I won the Monroe Chess Championship. I will be 13 on December 28, 1965.

I attended the Piatigorsky Cup tournament two and a half years ago and saw Mr. Reshevsky play. I have been a chess fan for a long time.

I hope you will inform me if I can participate in this tournament.

Faithfully yours,

Alex Gojich
