Dear Mr. Reynolds:

Receipt is acknowledged of your letter of May 6, in which you request that one of the boys on your chess team, Ivan Vegvary, be permitted to visit the institution with your team, despite the fact that he is only 13 years of age.

After conference with Associate Warden Baer and Assistant Supervisor of Recreation Apostol, it has been decided to approve an exception being made to our rule which prohibits the admittance of anyone under the age of 16 years.

By carbon copy of this letter I am advising our Associate Warden, Custody, that this young man is to be admitted with your team.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "H. O. Teets".

Warden.
