Mr. James Reynolds  
Captain Showalter Group  
C.F.N.C.  
115 Brewster St.  
San Francisco, Calif.

Dear Jim:

I am enclosing the Summer Schedule for the El Camino Real Chess League. I am also enclosing the cards for reporting games. Please fill in first and last name of players when sending results.

Please bring to the attention of your group that all players on the team must be Members of Chess Friends in good standing to man a board in tournament play. Should a board be manned by an ineligible player, the opposing captain has the right to protest, which protest we cannot deny according to our rules. In preparing the rating list for Chess Friends it has been brought to light that quite a number of players are in arrears in dues.

We welcome the Showalter Team to the El Camino Real and sincerely wish them luck.

Very truly yours,

*Bill*
