¶ For the original issue of *Chess Life*, the comments have been selected from the questionnaires sent to members, asking for suggestions in making the work of the USCF more effective. Hereafter, this column will be devoted to the opinions of the readers who are invited to express their ideas freely.

I would suggest the designing and manufacture for sale to members at minimum cost of a striking lapel button which would show (first) that the wearer was a chess player and (second) that he was a member of the U.S.C.F.

I would like to see U.S.C.F. make it obligatory for any organized State Association to hold an annual State (open) Championship same approximate time annually, properly publicized, or else U.S.C.F. does not recognize said association. The minimum that organized chess can do for the players is to hold such tournaments.
